responsibility and preparation

Complete the assigned homework questions that give you the practice you need! Double-check the HW Calendar!

Come to class prepared with your materials and with a positive attitude! You're here to learn and mistakes are welcome!

When you need help, get help! Homework help, the Help Wanted page, your peers, and Mrs. Henderson are all there to support your learning!

Class Materials

a folder or binder
for notes
pencils & pens
graphing calculator
portable device

grades

Skill Check - 1 grade (curved)
Khan Academy - depends on # of assignments
Sections Quiz - 4 grades
Chapter Test - 6 grades
Side Quest - 1 grade (extra credit)

corrections policy

Students have one week after an assessment is handed back to earn back half the points lost!

- Rewrite the directions and the problem
- Show all work in completing the problem correctly
- Write at least two sentences explaining what was done wrong and how to correctly answer the question.

Aside from grades, you will also be earning, and possibly losing points, on Classcraft for grades, behavior, and extra efforts. Every grade above a 0% and participation earns XP, misbehaving or being late loses HP, and extra credit and side quests earn GP (New-Monthly Side Quests). You will also be working as a team to help each other succeed! You can also earn item cards or purchase item cards at Item Shop on my website.

skill checks

Select questions will be assigned from a section. At the beginning of the next class day, a three-to-five-question quiz will be given taken directly from the assigned homework. Students are given around 10 minutes or less to complete said questions. The score will be averaged with 100% (i.e. 60% $\rightarrow (100+60)/2 = 80\%$). Use the given solutions manual and study groups to learn the most from the homework.

Tip: Skill checks assess at least one question per section of questions. It would be in your best interest to complete the exercises that your perceive as challenging. Use your time wisely.

policy for absences and make-up work

Your gradebook is a valuable resource. Check assignments regularly for inputted grades, assignments you may be missing, or assignments you may have questions about.

If you are absent, you are responsible for completing your make-up work within 7 weekdays of the original due date. This applies for all assignments and assessments.

When you are absent, take a "Hey! What'd I miss?" form and ask a classmate about what you missed. Make sure to complete the form and state which student(s) helped you.

Late assignments may earn at most a 70% at the discretion of Mrs. Henderson.

If you know you are going to be absent beforehand, you should ask Mrs. Henderson for your make-up work before the absence. This can be done before or after school or via e-mail.

electronic devices

Electronic devices can only be used when instructed by the teacher or with permission. Classcraft actions, gradebook checking, and other activities should be done before class begins.

NEW!
"Give your Phone a REST!"

Cell phone charging station

1. Use by choice or if asked by teacher
2. Place your phone in your respective numerical pocket
3. Bring *your own* cord
4. Once it's there, it stays there the whole period.

Take advantage of every minute you're in class. Be present.
